## Programs

Northern Georgia Second Jurisdiction Church of God in Christ is offering Certificate Programs in theological education for ministers, Christian educator and lay persons. Programs are designed to provide an organized structured series of courses for individuals who are who want to improve their knowledge and preparedness for the Christian ministry.

### **Ordination and Licensure Certificate Program**

The purpose of this program is to provide foundational knowledge and skills in core practical, historical, and academic areas. Completion of this program is a prerequisite for ordination and licensure. This certificate will also serve as a means of professional development and personal enrichment other persons.

### **Teaching Ministry Certificate Program**

The purpose of this program is to provide foundational knowledge and skills in teaching and in core practical, historical, and academic areas. Effective teaching s at the very heart of all the church is seeking to do. Preaching and teaching in the local church are God's ministry gifts to bring people to salvation, sanctification and also to equip the saints for ministering to one another in the Body of Christ.

### **Laity Certificate Program**

The purpose of this program is to provide foundational scriptural knowledge and teaching regarding the importance of the role of a responsible layman in the Body of Christ. Stewardship and commitment of individuals in the local assembly are vital to under girding the ministerial staff of the congregation.

## Course Offerings

Six of the ten courses are the same regardless of program of study while the remaining four are track specific. Students will begin their specialty track after completion of the first year requirements.
